MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

MAY 14, 2013

AMENDMENT TO AGENDA ITEM #79-A (PIT BULL ATTACK)

On Thursday morning, May 9, 2013, a woman jogger was mauled to death by a pack of pit bulls in Littlerock, near Avenue S, between 110th Street East and 113th Street East. The Antelope Valley, an area that is approximately 2,000 square miles with nearly 1 million residents, is serviced by the Department of Animal Care and Control with only one animal shelter, and 14 trucks to respond to calls for service. Moreover, many residents from outside the Antelope Valley bring unwanted pets, sometimes dangerous, to the area to dump them.

I, THEREFORE, MOVE that the Board of Supervisors direct the Chief Executive Officer and the Director of the Department of Animal Care and Control to report back during the June 24, 2013 Budget Deliberations on recommendations that would better protect the public from dangerous and vicious dogs.
